Location

The site is located to the east of 38 Spalding Road, Deeping St James, approximately one mile east of Market Deeping and nine miles north of Peterborough.

Description

The site, which is level, currently comprises a former agricultural workshop building. It is surrounded by existing residential development.

Planning Permission

Outline planning permission was granted by South Kesteven District Council on 31 May 2023 for the erection of up to six dwellings and associated access, including a new access point for three adjoining properties (36, 36a and 38 Spalding Road), following demolition of an existing agricultural building (access for approval only, all other matters reserved).

The planning reference is S22/2243

Services

Mains water and electricity are connected to the property. Mains gas and drainage are believed to be available to the site subject to the normal connection consents.

New access for adjoining properties

It will be a condition of sale that the purchaser of the development site also provides and constructs the new access point for numbers 36, 36a and 38 Spalding Road as shown coloured red on the plan included in these sale particulars.

Viewing

By prior appointment with the joint selling agents as detailed below.

Anti Money Laundering

The buyer(s) will be required to provide proof of identity and address to the seller's agent once an offer has been submitted and accepted and prior to solicitors being instructed.
